

Angel Uncovered

Angel Summer looks as if she has found her happy ever after. Shes married to the love of her life, sexy footballer Cal, they have a beautiful baby girl and Angel is Britains top glamour model. But all is not as it seems and there is heartache in store. When Cal is transferred to AC Milan, Angel feels isolated being so far away from her family and friends instead of embracing the WAG lifestyle of designer shopping and pampering. Surrounded by beautiful people, will Angel and Cal pull together or will they turn elsewhere to seek comfort? Angels worst nightmares come to life when an old flame of Cals comes back on the scene and suddenly Angel is fighting to save her marriage and herself...
