

WHEN THE WAGES OF LOVE IS PAIN... HOW MUCH SUFFERING DOES IT COST TO SURVIVE? In 1996, one man's rage introduced Hell to a quiet North Carolina town, resulting in one of the most terrifying mass murders on record. More than a hundred people were killed in the fire at Levenson Asylum, and the few survivors were soon mercilessly hunted down and slaughtered. Terrance Todd became a nefarious legend, and punctuated the gruesome event with suicide. Fifteen years later, a class assignment finds college senior Ethan Foster and several of his classmates sifting through the ashes of a killer's playground. But when they quickly discover that someone is adding new victims to Terrance Todd's legacy, the past ignites around them, and everything they think they know explodes!
