

Walt Brandon, born in the mid 1800's, sets out on a life of his own at an early age, which leads him into the western portion of the United States, at a time when lawlessness ruled west of the big rivers. A young man entering a young world with a chip on his shoulder, who grows hard and cold and gets too fast with a gun for his own good. Until he meets a woman who captures his heart and molds him into a real man.
