

Nightmare Alley (The Rat Bastards Book 11)

War brings them to life! Send them out on leave and they're a ragged band of losers who will tear any town apart. Bring them back and they're the most effective bloodletting machine the Japanese have ever had to face. The Rat Bastards. The MPs can't bust them because the Army needs them to win the war. This time they're faced with their bloodiest challenge ever, as the brass sends them on a trip to the closest thing to hell on earth—the Pacific war zone known as Nightmare Alley.
