

An unusual first collection of fiction from a truly original and gifted Southern writer. The stories gathered here are wonderfully imaginative, erotically charged, unforgettable. Dean Paschal explores a variety of different worlds, like that of Sauteing the Platygast, where evolution and the culinary arts have run amok.

dran glauben müssen - short stories (German Edition), Toc, Toc, Toc (French Edition), Tripwire, Ce que dit le vent d'Ouest: Roman (French Edition), Malentendu (Folio) (French Edition), Trinity Sketches: Selections From The Trinity Tablet, 1887-1894, Kommen Sie, Cohn: Fontane und die Judenfrage (German Edition),
