

## My Passage to Womanhood - Volume Four

Clare's life with Saffi, the charmingly assertive undergrad from a wealthy American background who has taken the exploration of his sexuality and budding womanhood to new levels, has taken on an even greater emphasis with the advent of her affluent Eastern Seaboard family into their lives. As events unfold it becomes clear to Clare that modern day slavery is not confined just to the third-world and certain areas of Eastern Europe and, though illegal, indentured servitude is not exactly unheard of in the good ol' US of A. At least not to Saffi's family. Urged by Saffi to go ahead with the next phase in his transitioning from man-to-woman, Clare is also informed that he will be attending a special school that will ensure he becomes even more of a servant to both Saffi and her sexually adventurous family.
