

Danger@Liaisons.Com

Set in the world of American fashion publishing at the end of the 20th century with an all male cast of characters, danger@liaisons.com brings Laclos classic tale of deception and betrayal into the volatile age of electronic communication and HIV, exploring the timeless influence that words can have in illuminating the most fatal passions. More than a modern retelling of the 18th century French novel that inspired it, danger@liaisons.com is a controversial, cautionary tale about the danger of
