

Longing For Ecstasy

LA is where fags go to die, Are the words spoken to Paul Trent by his mother as he left his tiny trailer in Indiana to board a bus to Los Angeles. He was moving on the invitation of his former High School lover and friend, Brian Kory. The two things Paul wants out of life are to be a professional actor, and a loving relationship. At a party Paul meets and falls for Tydus Anderson, a screenwriter who is burnt out with the Hollywood scene. Paul is drawn into that fast-pace life of gay Hollywood and the club scene as his career excels. Jealousy, passion, and desire moves, threatens, and motivates relationships, as Paul, Tydus, Brian, and their friends and enemies are in the pursuit of success, fame, and love.
