

Edge: Ten Grand (Edge series Book 2)

Edge #2.Ten Grand: Most of the heroic figures in the stories of our early days as a nation were known for their ideals and sense of honor. Not Edge. Most heroes give their enemy a sporting chance. Not Edge. Respectful to ladies? Kind to animals? Clean living? Defiantly not Edge! Especially when theres \$10,000 involved. Edge knows where the loot is hidden. The bandits know he knows. But knowing is not enough when Edge can get his hands on a bullet or a blade
