

Ce livre est parfaitement mis en page pour une lecture sur Kindle, Extrait : Une parole humaine... Mon Dieu, ça n'a l'air de rien et c'est pis qu'une balle ou qu'un obus, qui filent droit devant eux, selon une trajectoire définie... Une parole ? Elle tombe au hasard, celui qui l'a jetée sans y penser n'imagine pas le chemin tortueux qu'elle peut prendre, les ricochets qu'elle fait, les ravages qu'elle peut causer... Un mot : qu'est-ce que c'est ? On en dit tant dans une journée ! On ouvre la bouche ; quelquefois le hasard, une erreur d'articulation, la langue qui fourche, la machine à penser qui a un rate et voilà que nous disons n'importe quoi, peut-être ce que nous ne voulions pas, peut-être le contraire de ce que nous aurions dit un instant auparavant... Ou bien alors, c'est une plaisanterie, c'est une raillerie qui, tombant sur un objet fragile, qu'on ne savait pas la, le réduit en miettes.
