

READ FOR FREE ON KINDLE UNLIMITED This book entitled under the covers : The series compose of six books series . It is merely about Gail Harland is a woman that believed that marriage was forever, but that all changed when she gave her husband an ultimatum. They weren't really in love with each other and this led to her finding something different with a young man named Anthony. She wanted something physical, but he had this strong belief that was more old fashion than anything else. Gail suffered from a rare insomnia condition that allowed others to prey on it like it was a weakness. The new neighbor is going to test her sanity and give her reason to doubt herself. Only her best friend will help her to figure out the truth before it's too late. Is Gail to believe that Anthony is everything that he appears, or does there lurk something hidden within the silky words that come from his mouth?

----- Gail Harland wanted to believe that there was life after her soon to be divorce. She found herself enamored with the young man across the street and had endeavored to get to know him better. She suffered from insomnia. It was a very rare case that had her becoming a night owl and only sleeping when it was absolutely necessary. She could live a relatively normal life with 4 to 5 hours of sleep, but what she didn't realize was that her condition could lead to misconceptions. Only her best friend Amber gave her the benefit of the doubt. The next door neighbor was this mysterious writer that had this Jekyll and Hyde kind of personality. She had just found the body of a woman in her bed, but that was not even close to the end of it.
