

Plan B - Volume III (Plan B Anthologies Book 3)

Desperation is the same in any language. Madness respects no borders. Greed and revenge transcend cultural differences. In this third collection of stories from Plan B Magazine, we find tales from all the corners of the crime world. From Cold War espionage to small town stick-ups, high-powered diplomacy to the opportunism of poverty, these are stories of the darkness of the human heart. And once in a while, how the light of our common humanity can transcend that darkness.
