

Haunted Hotties Volume I Anthology (Haunted Hotties Anthology Book 1)

This Halloween collection has a little something for everybody. With demons, ghosts, psychics, reapers, shifters, and witches... a rainbow of paranormal/supernatural is included. In *Nine-Tenths of the Law* by Kiernan Kelly, Oliver discovers he has a haunted sex toy. In *Bear Hugs* by Laney Cairo, Martins boyfriend might be bear shifter and apparently that's news to him. In *Houdinis Masquerade* by Alex Cohen, when Lila meets a succubus, everything changes. In *Pr?sidium* by Katey Hawthorne, Thackeray needs help from a witch who won't help him until he explains his demon. In *Black Cat* by Jamie Jennings, when a cat shifter can see ghosts, Micah's simple life suddenly isn't. In *Haunted Honeymoon* by Aaron Michaels, Dylan and Jake seem to be sharing their non-honeymoon with a couple of ghosts. In *And the Tarot Cards Said* by Jacey Mills, an insistent ghost shouldn't be too much to handle for psychic Vassily and his Tarot-reading assistant Ben. In *Spirit Wolf* by L.J. Hamlin, when Dawson rescues an injured wolf shifter, it's not just his book that gets worked on while getting back to nature. In *Wet Nails* by Shira Glassman, it's not every day a glamorous 50s actress comes out of a TV but lonely grad student Adina isn't complaining. In *Possessed by Love* by Sheri Velarde, a storm trapping them together gives Andrew and Damian the chance they've been waiting for. In *The Last Night* by Cassandra Lea, Eric gets one night a year and he always picks one particular Halloween. In *Molly* by Mychal Black, Detectives Cameron and Chase discover the murderer plaguing their city is more sinister than they could have known and not entirely human.
