

Home Visit (A Stevie Corra Casework Mystery Book 1)

When 16-year-old Shaquan Saunders suddenly disappears from a Brooklyn group home, it is caseworker Stevie Corra's job to find him. The search leads Corra into a deadly but familiar world of street corner drug deals and a confrontation with his own troubled past as a NYPD narcotics detective. Along the way, Stevie will find murder, dangerous dead-ends, and Lucy Montoya, a beautiful domestic violence counselor with a painful personal history of her own.
