

Immortal Memories (Large Print)

They amused me to write, and they apparently interested the audiences for which they were primarily intended. Perhaps they do not bear an appearance in print. But they are not for my brother-journalists to read nor for the judicious men of letters. I prefer to think that they are intended solely for those whom Hazlitt styled sensible people. Hazlitt said that the most sensible people to be met with in society are men of business and of the world. I am hoping that these will buy my book and that some of them will like it. It is recorded by Sir Henry Taylor of Samuel Rogers that when he wrote that very indifferent poem, I taly, he said, I will make people buy. Turner shall illustrate my verse.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings.
