

Shattered Glass: Glass Series, Book 2

In the most sensational trial in Houston, Texas, fashion designer Alexis Glass is facing capital punishment for the murder of her husband, Todd Clemons, and with little evidence, Alexis is confident she just may get away with murder. But everyone has a testimony; even the one who held Todd captive to begin with, Thomas Glass. As she tells her side of Todd's mysterious capture, her deepest secrets are unveiled, and there's one testimony left that changes everything she thought she knew.
