

## Only The Strong Survive

With the door firmly closed on her past, Jessie is content with her lot in life, until her daughter Evie has a breakdown. She knows that Evie's husband Mick, a lowlife coke-head, is behind it and she wants revenge. Bringing Angel, her old ally back into her life to help her get rid of Mick is the catalyst, which opens that door. Can she continue to hide the dark secrets of her past? Will they rear their ugly heads and ruin the one thing that she holds dearest to her heart, or will old scores have to be settled?
