

JookBoxFury: The Story of Popular Music, Psychedelic Alcopops and Populating Spreadsheets...

JookBoxFury is the story of a chaotic jukebox song pickers game show as it takes to the road to launch the psychedelic alcopop, Jook - the drink that turns everything green for go-go. Like a cross between Seinfeld and a beat generation Top of the Pops special, JookBoxFury is a celebration and an epitaph of rock and pop music. All rock n roll is here, from its art and glories to its mythical stories.
