

## The Main Man

Darren ODonnell is a rich, handsome and amoral teenager who does exactly as he pleases. He appears to have it all. He is however a narcissist, completely devoid of empathy or feelings of guilt. He breaks the law and girls hearts in equal measure, leaving behind him a trail of misery and destruction. But his self-centred hedonism brings to light a host of secrets from the past that alter the lives of all those around him, especially his best friend Joel. A gripping tale of love, sex, arrogance and deceit.
