

Frank Allard had only one good friend growing up. And when that friend, a deputy sheriff, is shot in the back, Allard vows to hunt down the killer. Leaving his ranch behind, he sets off on a dangerous trek to Utah Territory. The trail leads to Ben Leniffee, head of a tight-knit clan encamped in the mountains. The family will do anything to protect its own, even when a cold-blooded murderer is in their midst. Cut off from society, in a lawless land, Allard must survive on his wits and sheer grit if he hopes to avenge his friend...and live to bring the bushwhacker to justice.
