

Includes Free Bonus Stories **WARNING:** These stories are super hot with explicit scenes of desire and passion that do not leave much to the imagination. This ebook is intended for adult eyes only!! What would you do if you were not afraid? Would you skip the chance to experience something you've never experienced before just because you are afraid? Jake had a different story. He just graduated from college and wanted to help his parents with their finances, so he immediately looked for a job and fortunately, found one. He completed all the requirements, except for the medical certificate. He sought to have it done as soon as possible and so he scheduled himself for a medical exam. He then met Doctor Nelson. He would sign the medical certificate for Jake. But little did Jake know that he would embark in an unfamiliar journey that would change his life forever, with the help of this doctor, as long as he would not be afraid.
