

Mother-in-Law

When Jude DuBois agreed to spend the holidays with his husbands family, he knew he was in for a bit of a rough time from his Christianly-judgmental Mother-in-Law, but little did he know it just might be the death of him. Are the accidents that keep sending Jude to the emergency room truly accidental, or is there something more sinister in the works? Why are these accidents only happening to Jude? And what of the recent axe murders of two bearish, gay men? Could there be a connection? Thrills, chills and a few unexpected surprises await all those who dare to cross the path of the Mother-in-Law.
