

Riding for Revenge Another wandering tale of revenge in the Old West begins with the brutal murder of Frank and Pearl Ryden and the wounding of their only son on the lonely Kansas prairie. They had come west after the Civil War looking for peace and safety and a distant farm a mysterious stranger had sold them a deed to. Another mysterious stranger—or was it the same one?—saved young Jim Ryden’s life and helped him track the killers all over the West—when he wasn’t too busy making war on a renegade band of Indians who had killed his younger brother.
