

## Commentaries on the Laws of England: In Four Books, Vol. 4 (Classic Reprint)

Book the fourth. Of public wrongs. Chapter the first. Of the nature of CRIMES; and THEIR PUNISHMENT. WE are now arrived at the fourth and laft branch of thefe commentaries ;which treats of public wrongs or crimes and mifdemefnors. For we may remember that, in the beginning of the preceding volume ,wronges were divided into two forts or fpecies ;the one private, and the other public. Private wrongs, which are frequently termed civil injuries, were the fubje lof that entire book :we are now therefore, laftly, to proceed to the confideration of public wrongs, or crimes and mifdemefnors; with the means of their prevention and punifhment. In the purfuit of which fubje I fhall confider, in the firft place, the general naturq of crimes and punifhments jfecondly, the perfons capable of committing crimes ja Book III. ch. i. Vol. IV.
