

## Slumgullion Gold

Slumgullion Gold is the first book in a trilogy of western novels, written in the Louis L'Amour style, set in Lake City, Colorado. With a hand-forged pick and a six-gun, Big Jim Booker cut himself a place in the Slumgullion country and in the heart of Molly Mears. He becomes so respected by the community that he is eventually elected as their sheriff to help protect the residents from notorious outlaws and murderers.
