

This major interpretation of the life and art of Robert Lowell exposes the full relationship between the poetry and the personal and national experience to which it is so remarkably connected. Steven Axelrod proposes that the key to our understanding of Lowell's poetic achievement lies precisely in this interpenetration of his life and his art. Originally published in 1978. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Writing Wounds: The Inscription of Trauma in Post-1968 French Womens Life-Writing (Genus 4) (Genus: Gender in Modern Culture), The Escrow Key, El caso del ojo de cristal, One Thousand Literary Questions And Answers (1917), Thanks to you in this world taeonagil (Korean edition),
