

Algys Army Ancestors: Fraser-Pitcairns Fighting Forebears

Algernon Fraser-Pitcairn is convinced that he is a reincarnated Anglo-Saxon warrior called Ceawlin. Traumatized by his own experiences of war in Africa and the Middle East, he undergoes hypnotherapy; and in repeated dreams he is swept back 1,000 years through time. As Ceawlin, he finds himself fighting against the Vikings at the Battle of Pinhoe, near Exeter, and he will not rest until Hengist the Dane is dead. Further evidence that Algys fighting qualities might have been inherited comes in a story told by his grandfather, a grizzled one-legged veteran of the Second Boer War.
