

## The Darcys Give a Ball: A gentle joke, Jane Austen style

While Jane and Lizzie plan a lavish ball at Pemberley, the Darcys second son falls in love with the Collins daughter, first-born Juliet Darcy is almost lured into an elopement, and Georgianas timid daughter Lucy is the new target of Miss Caroline Bingleys meddling. The Darcys Give a Ball is a charming and very amusing imagining of the next generation of Jane Austens beloved characters from Pride and Prejudice and other novels, where all the young people come together for a surprising and altogether satisfying ending. Sons and daughters share the physical and personality traits of their parents, but of course have minds of their own, and as Lizzie says to Jane: The romantic attachments of ones children are a constant distraction. Jane would be proud of you.
