

Khantida, a spirited young Thai courtesan, once married to a handsome but ruthless police major, finds herself desperately seeking sanctuary in her rural childhood village, Phayu. Wrathful ghosts and angels are drawn to the battle between the former lovers as the village suffers. The fates of Khantida, her 6-year-old daughter, Noi, her sister, Som, and numerous other citizens of northeast Thailand are all played out in one shocking, often horrifying, week. Much of the world undergoes terrifying changes attracting the spirits of the dead as well as angels from Nirvana to a tiny Thai town that nobody ever heard of.
