

## Projekt Human (German Edition)

Wir leben in einer Zeit, in der Maschinen für uns selbstverständlich geworden sind. Doch was wäre, wenn uns diese Maschinen immer ähnlicher werden würden und wir kaum noch Unterschiede ausmachen können? Was wenn sie ein Bewusstsein erhalten? Was wenn sie gar nach Freiheit streben? Dr. Judith Halsey ist die Leiterin eines Projektes, das es sich zum Ziel gemacht hatte, Maschinen zu erschaffen, die organisch sind. Es dauerte knapp zehn Jahre, als sie den ersten Fortschritt dieses Projektes vorstellen konnte - den Prototyp Eva. Doch Eva war weitaus mehr als nur eine einfach organische Maschine ...
