

LIFE HAS OTHER PLANS continues the story of Michael Belanger who moves to Sarasota with the goal of coming out of the closet and making new friends. By now Michael has made a few great friends and happily thinks life is as good as it can get. Then he gets a phone call from a New College student who wants to write a biography about him. One of Michael's friends, Henri Ruisseaux, celebrates a milestone birthday which turns out to be a major social occasion called Gaytopia. Also, Bryan Blair, AKA Moore Peters, visits Sarasota to see if he would like to move there.
