

The Man Behind The Man: The Engagement (Volume 1)

Percy Beddy is a successful and well-known wedding consultant that even celebrities are flocking to for wedding plans and advice. From the outside looking in, Percys life and business is doing very well, but what most do not know is Percy is hiding a secret life; he has built with another man. The love of his life, Drake Porter, is in the limelight all the time. Percy understands that it is important to Drakes career and their relationship remains a secret, but lately the relationship hasnt been bearing good fruit for Percy. Especially, since a woman named Yvonne is threatening to turn the already souring fruit rotten. Percy finds his heart and soul tearing into pieces as he is forced to watch the life he sculpted smashed before him. Worst yet, hes not only a spectator to his demise, but must be an accomplice to the torture as well. Slowly, Percy realizes he has allowed himself to be the man behind the man for way too long. On this journey, Percy will reconnect with the past he could have had and get a taste of a possible, and better, future that could be, neither of which Drake wants him to have. What will Percy do to get his life back in order? Will Percys relationship withstand the test of societal norms or will Percy find himself benched by Drake permanently?
