

## Universal Language of Expression

Born May 1964, Ms. Theilgaard is one of six children. Born and raised in Illinois, she currently resides in Illinois with her four children. She began writing in her early teens and recently returned to it. She writes of life's trials and tribulations as known to her. All of her writings have a personal tone to them, yet offer something that almost everyone can relate to. If by sharing one piece of herself she provides comfort and knowing that one isn't alone, then all endured was not in vain.
