

## To Everything A Season: The Sussex Quartet 3

Born in the shadow of an ill fortune which she fights to forget and marked by a childhood of neglect, Amy Weldrake Flynn has grown into an independent and headstrong young woman who attracts the attentions of three very different men. There is Ralph Herriot, gentleman farmer, cultured and charming, friend of Thomas Hardy; David Linton, a hard-working country doctor married to a spoiled and demanding wife; and Ellis Bates, Inspector of Schools for Lewes. It is only after a tragedy which threatens to ruin her whole life that Amy can hope to find the love and security that have eluded her for so long. To Everything A Season is the third classic romantic saga in the Sussex Quartet that began with The Stallion Man, now available in eBook for the first time.
