Charron, a notorious and villainous renegade, ordered his henchmen to rob the Mexican Church of Santa Catarina of its reputedly large hoard of treasure by excavating under the building. But disaster struck and the church collapsed leaving eight of the nine thieves dead. As luck would have it Charron was the only one to escape. Then Chance Stellarman entered the frame. His deadly mission was to hunt down the renegade who had built a new life for himself. But could Chance nail the killer and still live to tell the tale? Here is a gripping story with no holds barred.
