

## Trail Boss from Texas (Sagebrush Large Print Western Series)

On his first night in the Timberlake Country, Larry Brennan fought in a street brawl with a young tough, discovered a corpse in his hotel room, struggled frantically in the dark for his Colt.45 and found himself accused of murder. Brennan had come to Timberlake to deliver six hundred head of cattle to Jeff Halliday, only to find Halliday clubbed to death, and Halliday's nephew the prime murder suspect. Caught in the killing crossfire between ranchers and unscrupulous land barons, Brennan made a desperate bid to save the Halliday ranch and future of the whole valley.
