

A Man and a Dog

A Man and a Dog By Duane Hewitt
FICTION
Hewitt is a refreshingly candid storyteller with an uncommonly forthright style. The lyricism of A Man and a Dog makes it a must read. Graeme Campbell Film Director
Acceptance of oneself and others is the central message of this evocative, crisply written novella. A Man and a Dog is one of those books that demands to be read at a single sitting, and then reread for an appreciation of its depths. Hewitt is a writer to watch.
Canadian Book Review Annual
A Man and a Dog is the simple story of a homeless man and the mysterious, talking dog that befriends him, offering companionship, consolation, and counseling as they move from place to place. Strongly suggesting allegory with imagery that is clear and defined, this simple and yet poignant tale is dedicated to the homeless and those who believe in them, and will make its own unique claim on the hearts of its readers with the universal appeal of its theme.
Duane Hewitt is the author of five other works of fiction, including the novels Savage and The Chaos of Days. He lives in Toronto.
