

In this brief collection of stories written by Jeff Gafford, author of “Summertown”, the reader is told the unusual story of an Arizona ghost town in “A Visit to Ednaville”; a 43-year marriage comes to a tragic end in “The Last Anniversary Gift”; a real estate agent is given a terrifying tour of a new listing in “A Shovel on Her Doorstep”; plus three more tales. The stories range from inspirational to humorous to macabre to slightly off-beat, but all are guaranteed to entertain.
